CASHMERE BLACK HONED RECT 60X120

— CASHMERE

Cashmere by APE Best for you is to enter a world of fantasy and color. It shares characteristics with the Aurora collection, but is distinguished by its extravagant and hypnotizing graphics. It is inspired by Blue Onyx, a precious mineral extracted from Pakistan which is very popular in interior design projects.

Six colour inks have been used to achieve its innovative colour palette. Its wide variety of tones is perfectly complemented by the brown layers and shades spread across the surface of the marble. It has a first gloss finish that uses polished granilla; and a second finish, honed, which combines the vacuumed 3D granilla with a matt polish and gives the piece a very soft touch.

Cashmere de APE Best for you es adentrarse en un mundo de fantasía y color. Comparte características con la colección Aurora, pero se distingue por poseer una gráfica más extravagante, que hipnotiza. Se inspira en el Blue Onyx, un mineral precioso procedente de Pakistán cuyo uso es muy popular en proyectos de decoración de interiores.

Para lograr su innovadora paleta cromática se han utilizado seis tintas de color. Su amplia variedad de tonos se complementa a la perfección con las capas y matices marrones repartidos por toda la superficie del mármol. Presenta un primer acabado en brillo para el que se emplea granilla pulida; y un segundo acabado, honed, que combina la granilla 3D aspirada con un pulido mate y otorga a la pieza un tacto muy suave.
