*"Elegancia y naturalidad
en pizarra suave"*

Stonehenge White 60x90x2 RC

La pizarra suave, sensual y elegante, a través de sus vetas y estratos intensifican la naturalidad de la piedra dando como resultado la elegante colección Northbay.

The soft, sensual and elegant slate, through its veins and strata, intensifies the naturalness of the stone, resulting in the elegant Northbay collection.

L'ardoise douce, sensuelle et élégante, par ses veines et ses strates, intensifie le caractère naturel de la pierre, ce qui donne naissance à l'élégante collection Northbay.

Der weiche, sinnliche und elegante Schiefer verstärkt durch seine Adern und Schichten die Natürlichkeit des Steins, was zu der eleganten Kollektion Northbay führt.
