

HABITAT CAPPUCCINO RECT. 30X60

HABITAT

Coming home after a day of work in winter, lighting the fireplace, putting on comfortable clothes and enjoying a moment of relaxation is priceless. Nothing is comparable to the warmth of home. From this scene a collection inspired by fabrics arises, which reproduces a marbled fabric full of shades of color in its threads. Habitat is a ceramic to live it, to walk barefoot, to feel its delicate and wide range of colors that allows us endless combinations: white, sky, grey, blue and cappuccino.

Llegar a casa después de un día de trabajo en invierno, encender la chimenea, ponerse ropa cómoda y disfrutar de un momento de relax no tiene precio. Nada es comparable con la calidez del hogar. A partir de esta escena surge una colección inspirada en los tejidos, que reproduce una tela jaspeada repleta de matices de color en sus hilos. Habitat es una cerámica para vivirla, para pasear descalzo, sentir su delicada y amplia gama cromática que nos permite un sinfín de combinaciones: white, sky, grey, blue y capuccino.
